FORMAT

Electronic files: Must be saved in JPEG format on a CD/DVD. Identify each image with artist's name, address, title, medium, and artwork size.

- Save images at roughly 8 x 10" size, at 200-300ppi; the image should appear the way you want it to be displayed.
- Artist & artwork info should be in a Word file also burned on the CD/DVD.
- Crop out all unnecessary areas, including mats and frames. Please remove glass, acetate, or Plexiglas coverings before photographing the work.
- If more than one image is submitted, each image title on the CD/DVD must be a different number or artwork title, and should match what is written on the separate entry form.
- Open image files on a different computer to check that the image and its information will open and is correct.
- For digital photo tips or how-to-save information, email chris.cooper@smcisd.net

Slides: Must be 35mm slides in standard mounts. Mark slides with TOP, FRONT, name, address, title, medium, and artwork size. Artist/artwork information should be included as a paper document.
